EDUCATION AND TRAINING

Bachelor of Engineering - Computer Science

PES University
Bangalore, India

- 8.93/10 GPA
- MRD Scholarship Recipient
- Hackerspace club Member
- Completed coursework in MERN stack

05/2020

Senior Secondary School

B G S National Public School
Bangalore, India

- 9.5/10 CGPA
- Completed coursework in Physics, Chemistry and Computer Science
- Ranked in Top 1 % of class

SUMMARY

Motivated Computer Science student seeking internship in Cloud based tech to gain hands-on experience. Outgoing and friendly with strong drive to succeed.

SKILLS

Technical:

- Data Structures and Algorithms
- Front-End Development
- Fluent in C, C++, Python
- Elementary Deep Learning models
- Version control using Git and GitHub
- Currently learning GitLab and Docker

Non-technical:

- Problem-Solving
- Critical Thinking
- Organizational Skills
- Web-Based Research
- Teamwork and Collaboration

EXPERIENCE

Research Intern

Centre for Data Science and Machine Learning | Bangalore, India

07/2021 - 05/2022

- Performed extensive literature review to understand the extent of research done in the field of fake news detection.
- Reviewed publicly available codes on online platforms and tried to identify key features missing from the machine learning model.
- Developed a model using Bi-directional LSTM to correctly predict fake news from available datasets.

05/2018

High School

B G S National Public School
Bangalore, India

- 9.4/10 CGPA
- Ranked in Top 1 % of class

CERTIFICATIONS

- Python Training - 2021
- Engineering Virtual Program, Goldman Sachs - 2021
- Linux : A Deep Dive - 2021
- Machine Learning models Training - 2021

- <https://www.linkedin.com/in/shubhankar-kuranagatti-a3a505194>

Ambassador

Viral Fission | Bangalore, India

02/2021 - 10/2022

- Guided potential customers through signups and registration processes to deliver smooth onboarding.
- Developed creative tactics to amplify corporate strategy.
- Collaborated with teammates to promote brands as well design logos/taglines

Subject Matter Expert

Digipplus | Bangalore, India

09/2020 - 12/2020

- Compiled detailed solutions for Organic and Physical chemistry questions.
- Identified key errors in previously available answers on websites like Vedantu and provided valuable inputs to modify answers.
- Performed detailed analysis of key chapters of Organic chemistry.

ACTIVITIES AND HONORS

- Secured First position in Regard before Discard Ideathon, 2021
- Secured place in top 5 teams at Hackloop Hackathon, 2021
- Secured places in top 10 teams at Ingenius Hackathon, 2021
